## 2.2 Leidinggevende functies in het onderzoek: projecten, personeel en samenwerkingen

### 2.2.1 Leidinggevende functies in het onderzoeksprojecten

- **Unravelling the long-term and indirect health impact of the COVID-19 crisis in Belgium (Helicon)**
  - 2021-2024: Brain-project Belspo
  - HELICON is a Belspo BRAIN-be project that aims to unravel the social inequalities and the long-term and indirect health effects of the COVID-19 crisis in Belgium
  - Projectleider: Devleeschauwer B. (Sciensano),
  - Promotor: Desmedt D. (UGent), Gadeyne, S. (VUB), Speybroek N. (UCL)
  - Budget: 203.341 €
  
- **Support expert panel international adoption**
  - 2020-2021: Vlaamse Overheid, Agentschap Jongerenwelzijn
  - Promotor: G. Loots; Co-promotor: Gadeyne, S.
  - Budget: 39.875 €
  
- **Enhancing development research and training capacity based on a TLC approach at the Public University of El Alto (Bolivia)**
  - 2020-2021: South Initiative VLIR-UOS
  - This South Initiative focuses on strengthening the research and training capacity of the Public University of El Alto (UPEA), with the aim to offer 45.000 students from the rural surroundings and city of El Alto higher education that contributes to the development and the enhancement of the quality of life in their communities. To fulfil this social mission, this 2-year project contributes to enhancing UPEA's research and training capacity to develop Transdisciplinary Learning Communities (TLC) in El Alto and becoming a full-fledged partner of the Bolivian IUC programme.
  - Promotor: G. Loots; Co-promotor: Gadeyne, S.
  - Budget: 69.863 €
  
- **Inequalities of Shared Short-Term Rentals in Brussels (ShortrentBrussels)**
  - 2019-2020: Anticipate-project Innoviris
  - Het project wenst inzicht te verkrijgen in de omvang en verdeling van de AirBnB short rentals in het Brussels Hoofdstedelijk Gewest, en wenst verder te focussen op discriminatie op deze markt en op de gevolgen voor residentiële segregatie.
  - Promotor: P.-P. Verhaeghe; Co-promotor: Gadeyne, S.
  - Budget: 205.536 €
  
- **The size and composition of the non-registered population groups in the Brussels Capital region (Misafir)**
  - 2018-2020: Anticipate-project Innoviris
  - Het project wenst inzicht te verkrijgen in de omvang en samenstelling van de niet-geregistreerde bevolking in het Brussels Hoofdstedelijk Gewest aan de hand van sterftcertificaten.
  - Promotor: P.-P. Verhaeghe; Co-promotor: Gadeyne, S.
  - Budget: €188.000

- **Socio-economic inequalities in cancer incidence and in cancer survival. How do they add-up? Analysis of site-specific cancer differences by socio-economic characteristics at the beginning of the 21st century in Belgium**
  - 2018-2022: FWO-project
  - Het project wenst inzicht te verkrijgen in de socio-economische verschillen in kankersterfte door te focussen op de socio-economische verschillen in kankerincidentie enerzijds en in kankersurvival anderzijds in België. Het project zal hierbij de belangrijkste types van kanker onder de loep nemen.
  - Promotor: Gadeyne, S.
  - Onderzoekspartner: Stichting Kankerregister
  - Budget: €349.850
  
- **Green and quiet Brussels? Analysis of social inequalities in the health-related outcomes of environmental characteristics in the Brussels Capital Region: a mixed method intersectionality approach (Green&Quiet)**
  - 2018-2021: Anticipate-project Innoviris
  - Het project wenst de impact van de leefomgeving op de gezondheid te onderzoeken in het Brussels Hoofdstedelijk Gewest door middel van een kwantitatieve en een kwalitatieve onderzoeksstrategie en een intersectionaliteitsbenadering.
  - Promotor België: Gadeyne, S.
  - Onderzoekspartner: Environment and Health, KULeuven
  - Budget: €194.000
  
- **Demographic Challenges of the 21st Century**
  - 2017-2022: Strategic Research Program, VUB
  - Dit project wil de belangrijkste onderzoeklijnen van Interface Demography verder uitbouwen en een degelijk middenkader uitbouwen
  - Projectleiders: Vanroelen, C., Gadeyne, S., P.-P. Verhaeghe, H. Vandenheede
  - Budget: €900.000
  
- **How Do Migration Networks Facilitate African Student Mobility and Integration In China? A Social Network Perspective on South-to-South Migration**
  - 2017-2021
  - Het project wil de migratie van Afrikaanse studenten naar China in beeld brengen door eerst te focussen op de migratiestromen van Afrikaanse studenten en vervolgens in te zoomen op de motieven voor de migratiebewegingen. Er wordt ook gefocust op de faciliterende rol van aanwezige sociale netwerken ter plekke, op de ongelijkheid waarmee de Afrikaanse studenten geconfronteerd worden op de arbeidsmarkt en sociale zekerheidssysteem en op hun welzijn.
  - Promotor: Gadeyne, S.
  - PHD-project Lin Chen
  
- **Lifepath Healthy Ageing for all**
  - 2015-2019: Horizon2020-project
  - Het project wenst inzicht te verkrijgen in de biologische mechanismen van de sociale ongelijkheid in gezondheid en het gezond ouder worden ('healthy ageing'). In de eerste plaats wenst het project aan te tonen dat healthy ageing een haalbare kaart is, aangezien individuen met een hogere socio-economische status reeds in deze positie verkeren. Een tweede doelstelling is gericht op het krijgen van een

beter inzicht in de biologische mechanismen van sociale differentiatie van healthy ageing. Een derde doel bestaat uit het nagaan van de gevolgen van economische recessie op gezondheid en op healthy ageing. Een laatste doelstelling betreft het voorzien van geüpdatete en relevante beleidsvoorstellen.

- Promotor België: Gadeyne, S.
  - Projectleider: Imperial College of London
  - Budget: €5.000
- 
- **Sociale en residentiële mobiliteit: onderzoek naar het verband tussen sociale en residentiële mobiliteit**
    - 2013-2019: FWO-aspirantenmandaat
    - Het project wenst het verband tussen sociale en residentiële mobiliteit in België te onderzoeken, met aandacht voor verschillende indicatoren van segregatie en voor de impact van de migratiecomponent en de natuurlijke component op de bevolkingssamenstelling op buurtniveau.
    - Promotor: Gadeyne, S.
    - Budget: 3 manjaar en werkingskrediet van jaarlijks €3.750
- 
- **Brussel, of toch maar liever niet? Een socio-demografisch behoeftenonderzoek naar de leefbaarheid van Brussel als woonstad', gepromoot door R. Janssen (VUB), gecopromoot door Gadeyne, S. en I. Glorieux (VUB), Anticipate project Innoviris 2016, 2016-2018 (€100,320 voor Interface Demography)**
    - 2016-2018: Anticipate-project Innoviris
    - Het onderzoeksproject inzicht verschaffen in de verhuisbewegingen en in het socio-economisch profiel van de verhuizers en blijvers in het Brussels Hoofdstedelijk Gewest. Vervolgens wil het project via een kwalitatief onderzoek de motivaties voor het al dan niet verhuizen blootleggen en mogelijke beleidsmaatregelen analyseren en aftoetsen om vanuit de overheid greep te krijgen op deze verhuisbewegingen.
    - Projectleider: R. Janssen
    - Onderzoekspartners: BRIO, Interface Demography en TOR (VUB)
    - Promotor: Gadeyne, S.
    - Budget: €100.320 voor Interface Demography
- 
- **Causes of health inequalities in Belgium: multiple dimensions, multiple indicators (CausIneq)**
    - 2013-2019: Brain-programma Belspo
    - Dit project wenst dieper in te gaan op de sterfte- en gezondheidsverschillen naar tewerkstelling en gezinstypes en op de de verklarende mechanismen van deze sociale ongelijkheid in gezondheid en sterfte
    - Projectleider: Gadeyne, S., copromotor: T. Eggerickx (UCL)
    - Onderzoekspartner: Research Centre in Population and Societies, UCL
    - Budget: €678.000, waarvan €385.086 voor de VUB
- 
- **De sociale verdeling van kanker in België. Socio-economische ongelijkheid in kankersterfte rond de eeuwwisseling**
    - 2013-2016: FWO-project

- Het project wil de sociale en regionale ongelijkheid in kankersterfte en de evolutie ervan tijdens de periode 1991-2011 op een gedetailleerde manier in kaart brengen
  - Projectleider: Gadeyne, S.
  - Copromotoren: H. Vandenheede (VUB), P. Deboosere (VUB)
  - Budget: 4 manjaar en werkingskrediet, in totaal 278.000 €
- **Demographic Challenges of the 21st Century**
    - 2013-2018: Strategic Research Program, VUB
    - Dit project wil de belangrijkste onderzoekslijnen van Interface Demography verder uitbouwen en een degelijk middenkader uitbouwen
    - Projectleiders: Deboosere P., , Gadeyne, S., F. Louckx, Vanroelen, C., H. de Valk,
    - Budget: in totaal jaarlijks €150.000
- **Postdoc-mandaat FWO: eerste verlenging**
    - 2011-2015: FWO
    - Het project bestudeert de socio-economische ongelijkheid in sterfte in België rond de eeuwwisseling en zoekt naar verklaringen voor de evolutie van de sociale ongelijkheid tussen de jaren 1990 en 2000
    - Projectleider: S. Gadeyne
    - Budget: 4 manjaar en werkingskrediet van jaarlijks €4.000
- **10% ZAP-mandaat VUB**
    - 2010-2016: VUB
    - In het kader van dit project wordt socio-economische ongelijkheid in sterfte door Alzheimer bestudeerd en wordt het vak Sociale Demografie gedoceerd
    - Projectleider: S. Gadeyne
    - Budget: 10%-mandaat
- **Postdoc-mandaat FWO**
    - 2007-2011: FWO
    - Het project bestudeert de socio-economische ongelijkheid in sterfte aan het begin van de 21<sup>ste</sup> eeuw, meer bepaald de reproductie van ongelijkheden door de tijd en over de generaties heen, de impact van sociale mobiliteit en het bestaan van levenscycluseffecten
    - Projectleider: S. Gadeyne
    - Budget: 4 manjaar en werkingskrediet van jaarlijks €4.000
- **HERCS**
    - 2008-2013: *Hercules Foundation* project
    - HISSTAT: project gericht op de digitale archivering en de constructie van een databank met historische data op lokaal (gemeentelijk) vlak in de 19de en 20ste eeuw
    - Het project is het resultaat van een jarenlange samenwerking op vlak van historische data-analyse tussen Interface Demography en verschillende onderzoekseenheden van de UGent, van de UCL en van het Nationaal Rijksarchief
    - Promotor-woordvoerder Prof. E. Vanhoute (vakgroep Nieuwste Geschiedenis, UGent)
    - Projectleider VUB: P. Deboosere

- Copromotor VUB: Gadeyne, S.
- Budget: 265.000 € (totaal budget 725.000 €)
